## Best Practices Score Tuntutuliak Fall 2021

|           | Category                              | O&M Scoring Criteria   | Possible | Score    | Explanation of Score  | How to Improve Score   | Contact  |
|-----------|---------------------------------------|--|----------|----------|---|--|--|
|           | Operator<br>Certification             | Utility has more than one operator certified to the level of the water system  | 10       |          | System Classification: Water Treatment 1 Primary Operator: John White Certification Level: Operator holds no current certification Backup Operator: Charlie Lupie Certification Level: Operator holds no current certification Level: Operator holds no current certification | •  | ADEC Operator Certification Program                        |
|           |                                       | Primary operator is certified to the level of the water system and the backup operator holds some level of certification in water treatment or distribution  | 7        |          |   | •  |  |
|           |                                       | Primary operator is certified to the level of the water system and the backup operator holds no certification or there is no backup operator   | 5        | 0        |   |  |  |
|           |                                       | Utility has one or more operators certified at some level in water treatment or distribution   | 3        |          |   | 465-1139   |  |
| nical     |                                       | Utility has no certified operators   | 0        |          | Charlie Lupie and John White hold no certifications.  |  |  |
| Tech      | Preventive<br>Maintenance<br>Plan     | Utility has a written PM plan; PM is performed on schedule; records of completion are submitted on a quarterly basis and have been verified  | 25       | 15       | maintenance or isn't keeping records of haintenance.  | To receive the full points in this category, the operator must have a Preventative Maintenance plan that they follow and the completed plan must be submitted to your assigned RMW each quarter.                             | Shane McIntyre<br>YKHC RMW<br>543-6427                     |
|           |                                       | Utility has a written PM plan; performance of PM and record keeping are not consistent   | 15       |          |   |  |  |
|           |                                       | Utility has no PM plan or performs no PM   | 0        |          |   |  |  |
|           | Compliance                            | Utility had no Monitoring and Reporting violations during the past year  | 10       | 0        | The utility had 11 Drinking Water Monitoring and Reporting violations in 2021.  | The Drinking Water Program provides you with an Annual Monitoring Summary with all of the required samples for your water system. All samples and reports must be collected and submitted in a timely manner.                | Doug Zellmer<br>ADEC Drinking<br>Water Program<br>269-3068 |
|           |                                       | Utility had up to five Monitoring and Reporting violation during the past year   | 5        |          |   |  |  |
|           |                                       | Utility had more than five Monitoring and Reporting violation during the last year   | 0        |          |   |  |  |
| rial      | Utility<br>Management<br>Training     | A person who holds a position of responsibility for management of the utility has completed a DCRA approved Utility Management course or other utility management training course within the last five years | 5        | 0        | No one associated with the utility has attended a RUBA training in the past five years.   | RUBA provides free training several times per year. Someone who works with the utility should take one of the courses as soon as possible.   | Mike White<br>DCRA RUBA<br>Program<br>543-3475             |
| anage     | Meetings of<br>the Governing<br>Body  | The utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements and receives a current report from the operator  | 5        |          | Meeting minutes were provided for the following months during this reporting period: February 2021, March 2021, April 2021, and May 2021. The utility operator report was not consistently included in the meeting minutes.   | To receive additional points, provide RUBA with meeting minutes that demonstrate that the operator is providing a report to the council.   |  |
| ĬΪ        |                                       | The utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements  | 2        | 2        |   |  |  |
|           |                                       | The utility owner's governing body does not meet   | 0        |          |   |  |  |
| П         | Budget                                | Utility owner and the Utility have each adopted a realistic budget and budget amendments are adopted as needed; Accurate monthly budget reports are prepared and submitted to the governing body             | 15       | 0        | An adopted FY21 budget was not provided by the utility owner during this reporting period.  | Provide RUBA with an adopted, realistic budget. Provide RUBA with monthly financial reports and meeting minutes that demonstrate the council is reviewing the monthly financial reports.                                     |  |
|           |                                       | Either the Utility or the Utility owner has adopted and implemented a budget, the other has not  | 13       |          |   |  |  |
|           |                                       | Either the Utility or the Utility owner has adopted a budget, but it is not being implemented  | 10       |          |   |  |  |
|           |                                       | Utility owner and the Utility have not adopted a budget  | 0        |          |   |  |  |
|           | Revenue                               | Utility is collecting revenue sufficient to cover the Utility's operating expenses and to contribute to a repair and replacement account   | 20       |          | Financials were not provided to RUBA.   | To receive additional points, the utility needs to provide a collection policy and monthly financial reports in cash basis to RUBA staff that demonstrate sufficient revenue and/or subsidy to cover the utility's expenses. |  |
| ial       |                                       | Utility is collecting revenue sufficient to cover expenses   | 15       | 0        |   |  |  |
| Financial |                                       | Utility has a fee schedule and a collection policy that is followed  | 5        |          |   |  |  |
| Fin       |                                       | Utility has no fee structure or collection policy  | 0        |          |   |  |  |
|           | Worker's<br>Compensation<br>Insurance | Utility has had a worker's compensation policy for all employees for the past two years and has a current policy in place  | 5        | 0        | Lack of policy verified on 7/15/2021  The utility must obtain worker's compensation insurreceive additional points.   | The utility must obtain worker's compensation insurance to receive additional points.  |  |
|           |                                       | Utility has a current worker's compensation policy in place for all employees  | 2        |          |   |  |  |
|           |                                       | Utility has no worker's compensation policy  | 0        | <b>1</b> |   |  |  |
|           |                                       | Utility has no past due tax liabilities and is current with all tax obligations  | 5        |          | _   | Full points have been awarded. Continue to submit timely   |  |
| F         | Payroll Liability<br>Compliance       | Utility owes back taxes, but has a signed payment agreement, is current on that agreement, and is up-to-date with all other tax obligations  | 2        | 5        |   | reports and payments to maintain these points.   |  |
|           |                                       | Utility is not current with its tax obligations and/or does not have a signed repayment agreement for back taxes owed  | 0        | 1        |   |  |  |
